19th August 2020.

ANNUAL GENERAL MEETING.

The Annual General Meeting of the Wakefield Constituency Labour Party Club cannot be held this year, under current Government guidance. We are watching this situation closely.

The Committee wishes to request that we, at this stage in the year, postpone the AGM until 2021.

We are asking Club members if they agree to this procedure which will effectively mean that the members of the Committee and Club Officers remain in post until 2021.

This has been a very difficult year for the Club's management and tough times may well be ahead, but we felt that we should consult with members in the hope that they will support us in this trying period.

If members wish to oppose or comment on this matter, then please do so in writing and deliver such representations to us within the next 28 days.

The Committee.
